Eliminating discrimination and providing equality of opportunity depends on the personal commitment of all employees, who therefore have a personal responsibility for the implementation of the policy. To ensure that line Managers and other relevant decision makers understand Company policy and their position in law, appropriate training and guidance is provided. Direct or indirect discrimination, including harassment or victimisation is not tolerated. Deliberate failure to observe the requirements of this policy will be subject to a disciplinary procedure

The CEO has the specific responsibility for applying this policy and is accountable to the Board of Directors for its implementation. Any employee who believes that they are being treated unfairly in any way associated with this policy is entitled to raise the matter through the grievance procedure.

It is the general responsibility of managers to ensure that this policy is applied within their own area.
